

# SPECIES IDENTIFICATION CARD

Anglers are encouraged to use this card to identify rockfish and other co-occurring species often confused with rockfish. Space is provided to keep a daily tally of fish released. It is hoped this information is useful to anglers during WDFW dockside interviews. These forms *do not* need to be returned to WDFW. For more information go to our website at: <http://wdfw.wa.gov>

**RETENTION OF ROCKFISH PROHIBITED IN CATCH RECORD AREAS 6-13. (See regulations for spearfishing).**
