Foam pieces smaller than 1 inch		_____	Fabric (masks, clothes)		_____
Plastic pieces smaller than 1 inch		_____	Other:		_____

Use this page to:
 1. Total the sum of the items you and your group found and,
 2. total the items your class found.
You may have to add some categories together. For example, if you had plastic forks and plastic straws, you would combine these under "plastic".

Totals for your group/you:

total plastic pieces: _____
