Fish and Wildlife Commission Presentation Summary Sheet

Meeting date:

4/23/2021

Agenda item:

Lands Transaction

Presenter(s):

Karen Edwards – Real Estate Manager

Background summary:

Item 1: Ebsen Water Access Donation – This proposal is to acquire by donation 7 (+/-) acres in Asotin County from the Wild Steelhead Coalition. This site on the Grande Ronde River has been operated and maintained by Washington Dept. of Fish and Wildlife for many years under an agreement from the past and current property owners.

The property acquisition costs are being provided by the Wild Steelhead Coalition and WDFW Region 1 combined. This water access is immediately adjacent to the Chief Joseph Wildlife Area, it contains a popular hand boat launch, restrooms and five primitive camping sites.

Policy issue(s) and expected outcome:

Provides public recreational opportunity.

Fiscal impacts of agency implementation:

This property will be incorporated into Region 1, water access sites.

Public involvement process used and what you learned:

This project was approved through the agency's Lands 20/20 Process.

Action requested and/or proposed next steps:

Approval of the Land Transaction as presented.

Draft motion language:

Motion: I move to approve the transaction as presented by staff.

Is there a "second"?

If so, then motion maker discusses basis for motion; other Commissioners discuss views on motion; amendments, if any, proposed and addressed.

Post decision communications plan:

WDFW will distribute a press release informing the public of this action.
