### Friday, April 23, 2021

Vice Chair Baker called the meeting to order at 8:00 a.m.

#### **1. Call to Order**

##### **a. Commissioners' Discussion**

Commissioner Linville spoke recently at the Washington Emergency Management Operations Center in regards to lessons learned with preventing and suppressing wildfires. She was happy to report that HB 1168 passed unanimously which will be great for wildlife prevention and suppression, and the future of the areas damaged by the recent wildfires.

Commissioner Anderson reported the passing of Jamestown S'Klallam Tribe council member Kurt Grinnell due to a car accident. He will be greatly missed by the tribal community and those he has impacted with his leadership in fisheries management.

##### **b. Meeting Minute Approval**

The Commission considered approval of the March 25-27, 2021 and April 9, 2021 draft minutes.

**Commissioner Anderson made motion, seconded by Commissioner Thorburn, to approve the minutes of the March 25-27, 2021, webinar as presented. All in favor. Motion passed.**

**Commissioner Anderson made motion, seconded by Commissioner Koontz, to approve the minutes of the April 9, 2021, web conference as presented. All in favor. Motion passed.**

##### **c. Committee Reports - This Section constitutes the formal minutes from each of the listed committee meetings:**

**Wildlife Committee**

**Commissioners in attendance: Anderson, Baker, Thorburn, Linville, Koontz, Smith, McIsaac**

Commissioner Thorburn announced that Donny Martorello has accepted the chief scientist position within the Wildlife program. It will be a slow transition from his current role.

Staff provided a briefing and there was good commissioner discussion on the status of recreation planning from the Lands division. The Commission previously received an initial briefing on these efforts and preliminary planning. Over the next few meetings, the Commission should start seeing the proposed rules associated with the development of expanded recreational opportunities on department lands.

The committee was provided with a high-level overview of the R3 initiative (recruitment, retention, and reactivation efforts) that will be advanced as part of the implementation of the strategic plan R3 is a national effort spearheaded by AFWA in response to the decrease of sportsmen and women and their importance to wildlife conservation. The department notes there is an additional R (relevance), which was also discussed in the committee meeting.

**Fish Committee**

**Commissioners in attendance: Baker, McIsaac, Anderson, Koontz, Smith, Linville**

Commissioner McIsaac reported that staff provided a debrief on the North of Falcon outcome and the impacts on Willapa, Grays Harbor, and other fishing bodies.

Constituents voiced concern about the steelhead guide public meeting and the cancellation of it. Due to Chair Carpenter’s absence, a reschedule is unknown and staff will follow up with the those who have concerns about it. Opportunity to provide comment on the issue will be at the June Commission meeting. Constituents also voice concern about alternative gear and concurrency with Oregon. Alternative gear will be discussed further under the Directors report.

Ron Warren announced his retirement at the end of June after 41 years with the agency.

Commissioner Koontz gave kudos to staff for their efforts with virtual access to North of Falcon process and meetings this year.
