

The following motion was made at the January 21, 2022 Commission meeting by Commissioner Mclsaac, seconded by Commissioner Thorburn, and passed by unanimous vote of the Commission.

**Motion: I move the Commission adopt the following intent to fully review the Department policy on spring bear hunts, and separately, rulemaking for annual seasons:**

- 1. The intent to conduct a process to fully consider changes to the spring bear hunting policy as described in the current Game Management Plan that will begin with a Commission agenda item at the April or June Commission meetings.**
- 2. The intent to conduct a process to fully consider spring bear hunting permit levels and season specifics for an annual season that concludes with a Commission decision at the October Commission meeting.**
