Good morning,

Thank you for reviewing WDFW's Determination of Nonsignificance regarding the Recreational Fishing Access on the Grande Ronde River Project. Our responses follow:

Hazardous Waste and Toxics Reduction Program

Thank you for your feedback and our subsequent conversation on March 26, 2024, regarding construction waste. WDFW will comply with all relevant disposal requirements during demolition and construction.

Shorelands and Environmental Assistance Program – Floodplains

Thank you for your comments regarding floodplain requirements and our follow-up email correspondence on March 28, 2024. WDFW will obtain all required permits from Asotin County before construction.

Shorelands and Environmental Assistance Program – Compliance

Thank you for your comments and our subsequent conversation on March 25, 2024, regarding compliance with the goals, policies, and use regulations of the Shoreline Management Act and the Asotin County Shoreline Management Program. WDFW will obtain all required permits for the proposed project.

Water Quality Program

Thank you for your feedback and follow-up conversation on March 25, 2024, regarding water quality. WDFW will adhere to Best Management Practices during demolition and construction.

If you have any further questions or comments, please feel free to contact WDFW.

Kind regards,

Katrina Simmons (she/her)
