

## DRAFT FBRB Grant Schedule

Task	Date	Description
Request for Draft Proposals	November 1, 2019	Publication of FBRB Coordinated Pathway Request for Proposals
Draft Proposals Due	January 15, 2020	Submit complete Draft Proposal material to FBRB@dfw.wa.gov
FBRB Reviews Draft Proposals	January - March 2020	Initial review of projects by Technical Review Team and FBRB for eligibility and potential benefits to anadromous salmonids.
Invitation to Submit Final Proposal	April 1, 2020	Proponents of high priority projects are invited to submit a Final Proposal
Final Proposals Due	May 15, 2020	Complete all sections and submit all attachments. Submit to PRISM (instead of the FBRB email like last round)
FBRB Reviews Final Proposals	May 15 - July 2020	Projects reviewed, ranked, and approved by Technical Review Team. Try to get the list approved at the FBRB meeting in July.
FBRB Project Request Submitted	August 1, 2020	Ranked project list and funding recommendations published and submitted to the Legislature. List approved at the August FBRB Meeting if it wasn't approved during the July meeting.
Funding Notification	TBD	Funding notification dependent upon final state budget. Funds expected to be available 01 JUL 2021
