

# Wolf Packs as of December 2014

## Legend

- Confirmed pack\*
- Border pack that dens outside Washington
- Wolf Recovery Region

\* Packs represented by polygons are packs that had collared wolves and the polygon is the estimated pack range. Packs represented by circles are packs that did not have collared wolves and the circle is a generic representation of the pack location.

\*\* Packs may be removed from map due to natural breakup of the pack, lethal control, or no longer detected.
