

AGENDA

Habitat Strategic Initiative Advisory Team

April 17, 2024

1 – 3 p.m.

Microsoft Teams

Meeting Objectives:

- Share the HSIL’s vision and approach to date for sea-level-rise and coastal resiliency,
- Communicate the expectations for the HSIAT in our planning processes, and
- Begin strategic planning discussions.

Homework:

- See full description in the [briefing memo](#)
- Part A: Watch two short videos on Puget Sound Shorelines
- Part B: Find Sea-Level-Rise Resources for a shared library
- Part C: Research how sea-level-rise and climate change will impact a nearshore place or geography in Puget Sound you care about
