

AGENDA

Habitat Strategic Initiative Advisory Team

June 12, 2024

1 – 3 p.m.

Microsoft Teams

Meeting Objectives:

- Orient HSIAT to critical stressors for kelp and eelgrass in Puget Sound, current strategic framework, and collaboration landscape
- HSIAT input on:
 - a. Values to guide Marine Vegetation Implementation Strategy process
 - b. What does a successful process look like?
 - c. What are key outcomes from a successful process?

Homework:

- Read Action Agenda Strategy 16:
<https://actionagenda.pugetsoundinfo.wa.gov/Strategy/Detail/16>
- Review:
 - a. Exploring Puget Sound Kelp Forests – [PSRF’s Kelp Expedition Storymap](#)
 - b. Sea Grass Monitoring in Puget Sound (2000-2020) - [WA DNR Storymap](#)
 - c. Eelgrass in Island County [Storymap](#)
 - d. Samish Indian Nation Kelp [Storymap](#):
