EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule revises state rules to conform to proposed federal regulations. Halibut catch will continue to be closely monitored by WDFW staff; seasons may close earlier if quotas are achieved. Halibut seasons are open only by emergency rule (see WAC 220-314-040 (1)).

Additionally, it is necessary to allow halibut legally retained in Catch Record Card Area 5, to be landed into port within Catch Record Card Area 4, on days when halibut fishing is closed in Area 4. This will support in prosecution of an orderly fishery by avoiding unnecessary Enforcement action. There is insufficient time to adopt permanent rules.
