**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** Survey results show that adequate clams are available for harvest in Razor Clam Areas 1, 3, 4 and 5 for recreational harvest. Washington Department of Health has certified clams from these Razor Clam Areas 1, 3, 4, and 5 to be safe for human consumption. There is insufficient time to adopt permanent rules.
