**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is necessary to set salmon seasons in Catch Record Card Area 8-2 Tulalip Terminal Area and Catch Record Card Area 11, as agreed to during the 2024 North of Falcon season setting process. These rules are interim until permanent rules take effect.
