**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This rule is also needed to open the Entiat River recreational Chinook seasons early and to expand the area open to salmon fishing. Entiat River hatchery Chinook preseason forecast for summer Chinook indicates that hatchery broodstock needs will be met and that a harvestable surplus of hatchery Chinook exists in the river. Expanding the season and area open for salmon fishing will increase harvest opportunity for anglers.

There is insufficient time to adopt permanent rules.
