EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is necessary to protect Cascade red fox population which is listed as an endangered species in Washington State. There is insufficient time to adopt permanent rules; however, the agency filed a rule publication (CR-102) under WSR #24-13-068 on June 14, 2024. This rule is interim until permanent rules take effect.
