INDUSTRY NOTICE

January 10, 2014

Due to difficult ocean conditions predicted for the next several days, WDFW will modify the haul boat provisions so that fishers may use a haul boat to assist in setting their gear **until 11:59 p.m. on January 20**.

All other provisions of the haul boat regulation remain in effect.

This action is being taken in consideration of the safety of the crab fleet and is the result of discussions with the WDFW Coastal Crab Advisory Board.
