2015 Wild Turkey Season

Since 1960, three subspecies of wild turkey have been introduced in Washington: the Merriam's, Rio Grande, and Eastern. Currently, the Merriam's subspecies occupies portions of Ferry, Klickitat, Pend Oreille, Skamania, Stevens, Spokane, Okanogan, Chelan, Kittitas, and Yakima counties. Rio Grande turkeys can be found in Asotin, Columbia, Garfield, Lincoln, Walla Walla, and Whitman counties. The Eastern subspecies can be found west of the Cascades in Cowlitz, Grays Harbor, Lewis, Mason, Pacific, Thurston, and Wahkiakum counties.

2015 Spring Season

Area	Dates Open	Restrictions	Bag/Possession Limit
Statewide	April 15 - May 31, 2015 Hunting hours are one-half hour before sunrise to sunset during spring seasons	Gobblers and Turkeys with visible beards ONLY	A total of three (3) turkeys in the spring season with following restrictions: Only two (2) turkeys may be taken in eastern Washington and only one (1) of those may be taken in Chelan, Kittitas, and Yakima counties (combined); only one (1) turkey may be taken in western Washington per year outside of Klickitat County. Two (2) turkeys may be taken in Klickitat County.

Additional turkey tags may be purchased at any time. In appropriate areas, two turkeys can be harvested in one day.

Youth Turkey Season

- Youth license holders may hunt during a special youth only spring turkey season on April 4 and 5, 2015.
- The youth season is open statewide.
- Standard hunting methods and all other turkey hunting regulations apply to the youth season. (The combined youth/spring season bag limit is the same as listed for spring seasons above.)

Special Regulations

- Spring turkey season is open for shotgun (10 gauge or under capable of holding 3 or fewer shells – a plug may be used to meet this requirement – or muzzleloader with shot) and bow-and-arrow hunting only. Hunters with disabilities who qualify for special use permits under WAC 232-12-054 may use a crossbow.
- A valid hunting license and an unaltered, unnotched turkey transport tag are required for hunting turkey.
- Immediately after killing a turkey, hunters must validate their own tag by completely removing notches for month and day of kill and securely attach tag to carcass.
- It is unlawful to use dogs, live birds, electronic calls or electronic decoys to hunt turkeys.
- Baiting game birds is illegal.
- Turkey hunters must report hunting activity (see page 4).
- Turkey hunters must use #4 shot or smaller (e.g. #6 shot).
- It is illegal to possess in the field or transport game birds unless a feathered head is left attached to each carcass, except falconry-caught birds.

WAC Summary Information

This pamphlet is a summary of the hunting regulations and seasons (chapters 232-12 and 232-28 of the Washington Administrative Code) adopted by the Washington Fish and Wildlife Commission. This pamphlet does not contain all department regulations. Regulations specific to the hunting seasons described in this pamphlet are found in section 232-28-342 of the Washington Administrative Code.

Reward

The Washington Chapter of the National Wild Turkey Federation will pay \$250.00 for information leading to the arrest and conviction of individuals responsible for illegal taking of wild turkeys.

Stop Washington Poachers! To report poaching in progress dial 911. Individuals that witness and would like to anonymously report a fish or wildlife violation can call toll free 1-877-933-9847 (1-877-WDFW-TIP). Remember this is not an information hotline. Other reporting tools can be found at <http://wdfw.wa.gov/poaching/>.

It could pay in more ways than one. The Department of Fish and Wildlife pays rewards for the arrest of people violating wildlife laws.

Advisory on Emergency Regulations

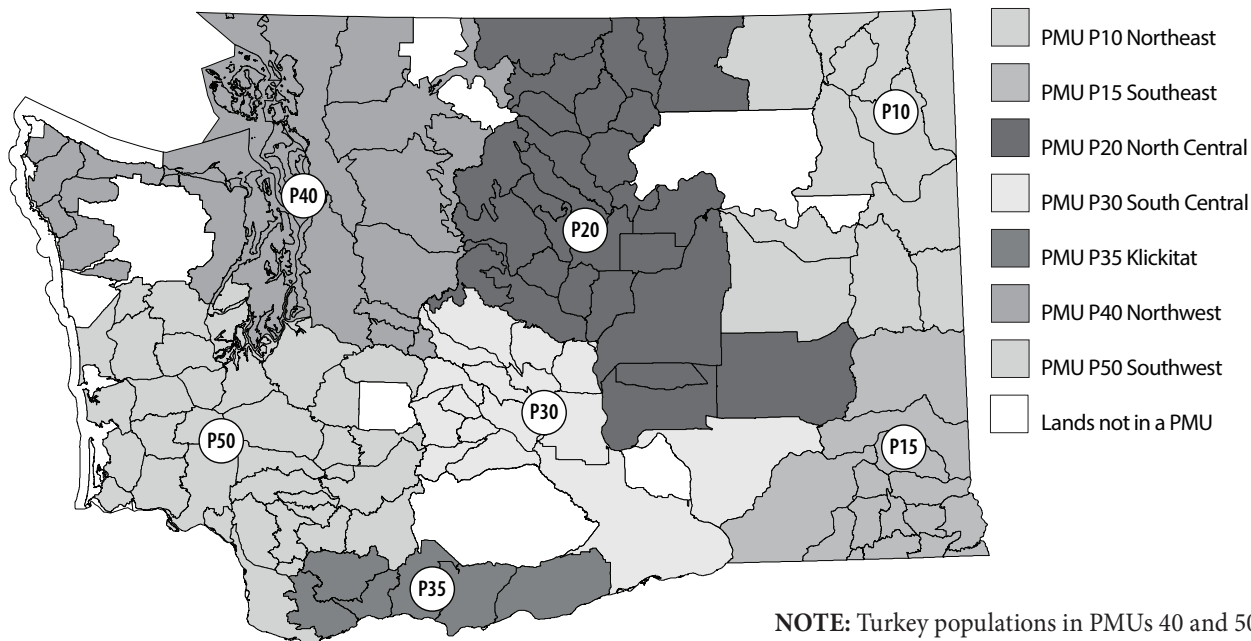

Caution: Emergency regulation changes may occur while the seasons described in this pamphlet are in effect and will supersede information contained herein. Area news media will be informed of changes as they occur.

NOTE: Turkey populations in PMUs 40 and 50 have low densities and are often found on private land. Make sure you have appropriate landowner permission when hunting.

Fall Turkey Season

Fall seasons may change, so it is important to check with WDFW after the April meeting of the Fish and Wildlife Commission each year to see what the fall turkey season regulations will be during any particular year. Fall season information will also be made available in the Big Game Hunting Seasons and Regulations Pamphlet.

The Land and Landowners

A true sportsman respects the land and demonstrates this respect and appreciation while in the field. Remember to obtain permission from the owner before entering upon his or her land to hunt or fish. And, while in the field, conduct yourself in a way that will ensure a welcome to those who follow after you.

IMPORTANT NOTICE:

– Mandatory Reporting –

Hunters are Required to Report Hunting Activity by January 31st, 2016

Turkey hunters must report their hunting activity even if they did not hunt or harvest an animal. Hunters not reporting by January 31 will be subject to a \$10 administrative fee which must be paid before they can purchase a license for the following year. One hunter report is required for each tag acquired.

Hunters can file reports two ways: by telephone (toll free at 1-877-945-3492) or online at fishhunt.dfw.wa.gov. Paper harvest report cards are not accepted. Hunters who harvest an animal should file a report within 10 days of harvest. Unsuccessful hunters must also report their hunting activity, including location and days hunted. The information will be used by WDFW to better monitor hunter effort, distribution, harvest, and trends.

Special note for turkey hunters: Having a spring and fall season can make hunter reporting confusing. If you do not intend to apply for a fall turkey permit or hunt in fall general season, you should report spring turkey hunting activity after May 31st. If you do intend to hunt in the fall, you should wait to report spring activity or fall activity until after the fall season.

You will need the following information to file your report for turkey hunting.

Do **NOT** mail or email this information to WDFW; reports can **ONLY** be accepted through the toll free number or online.

1. Whether or not you hunted turkeys.
2. For each turkey tag:
 - a. The number of the Game Management Units you hunted in (2 most hunted GMUs). Please refer to a Big Game pamphlet or other source for a GMU map.
 - b. The number of days hunted in each GMU.
3. For each turkey you harvest:
 - a. Number of the GMU where turkey was harvested.
 - b. Month, day, and year of harvest.
 - c. Sex of the turkey.
 - d. Age of the turkey: adult, yearling, or juvenile (fall season only)

Turkey Hunting Location Map!

Want to hunt turkeys but don't know where to go?

Go to www.mapmet.com and find a spot!

The maps, which you can download into Google Earth or use as a stand-alone, displays areas on public land that offer good opportunities for finding turkeys during the spring hunting season.

All these areas are open to public hunting. Some of the areas border private land and the owners might or might not allow hunting. **Respect private property:** Do not trespass on private land without the landowner's permission. The site was built in cooperation with all public land wildlife biologists in Stevens, Ferry and Pend Oreille Counties.

Hunter can go to www.colville.com for information on accommodations, sporting goods and supplies, restaurants, family events, current weather conditions and guide services.

Access to State Recreation Lands

The Discover Pass is your ticket to nearly 3 million acres of state lands managed by WDFW, the Washington State Department of Natural Resources (DNR), and Washington State Parks. Your purchase of a Discover Pass helps to keep recreation access open on these state lands.

You don't need a Discover Pass to hunt and fish on WDFW-managed lands. When you purchase a hunting or fishing license, you also receive a complimentary Vehicle Access Pass that gives you access to hunt and fish on WDFW-managed lands.

However, to hunt on many DNR managed lands and to fish on DNR managed lands AND state parks, you will need a Discover Pass. (Hunting is not allowed in state parks.)

Learn more about when and where you need a Discover Pass and how to purchase the pass at: discoverpass.wa.gov.

- The annual Discover Pass is just \$30 or \$35.*
- One-day pass is \$10 or \$11.50.*
- Passes can be switched between two vehicles.

*The cost with transaction and dealer fees if purchased at license dealer, by phone or online.

Vehicle Access Pass

You must clearly display a Vehicle Access Pass (VAP), or Discover Pass, to park a vehicle at all posted WDFW wildlife areas and water access sites. The VAP must be visible from outside the vehicle (they can be placed on the dash or hung from the rear-view mirror) and can be switched between two vehicles. You can get a rear-view mirror hanger from your local license dealer. A VAP is free with the purchase of an annual hunting, fishing, or trapping license. It cannot be purchased separately. For a list of locations requiring the VAP, visit:

wdfw.wa.gov/lands/wildlife_areas/

or visit a WDFW regional office.

Safe and Ethical Turkey Hunting

1. **Be absolutely positive of your target.** After you pull the trigger, it's too late.
2. **ALWAYS ask permission to hunt on private land.** Most landowners are cooperative if you ask.
3. **Do not attempt to stalk a turkey.** That gobbler you're stalking may be another hunter.
4. **Unless absolutely necessary, don't use a gobbler call.** This call can be productive, but also very dangerous. Use this call when all else fails and then sparingly.
5. **Never wear any red, white, or blue clothes.** These are the colors of the gobbler's head, the primary target of the turkey hunter.
6. **Never presume what you hear is a turkey.** Many hunters are convincing callers.
7. **Select a calling site that gives at least 40 yards of vision in all directions and sit with your back to a large tree.**
8. **If another hunter is working a bird, don't spoil it by calling or spooking the bird.**
9. **Make sure that the gobbler is within sure range of the shotgun and shoot only the neck and head.**
10. Should you see another hunter (especially if he/she is close to your "line of sight") call out to the hunter in a **loud, clear voice.**

Washington Slam

The Washington Chapter of the National Wild Turkey Federation (NWTf) in cooperation with the Department of Fish and Wildlife is sponsoring brass pins in recognition of achieving the "Washington Slam."

The Eastern, Merriam's, and Rio Grande subspecies of wild turkey currently inhabit Washington State. For the purposes of the "Washington Slam," subspecies are defined by county of kill. Merriam's: Ferry, Klickitat, Pend Oreille, Skamania, Chelan, Kittitas, Okanogan, Yakima, Spokane and Stevens; Rio Grande: all eastern Washington counties except Ferry, Klickitat, Pend Oreille, Skamania, Chelan, Kittitas, Okanogan, Yakima, Spokane and Stevens; Eastern: all western Washington counties except Klickitat

and Skamania. Due to smaller populations, the Eastern subspecies is challenging to locate. The taking of one of each of these subspecies constitutes a "Washington Slam." This achievement will be verified by successful hunters returning their game harvest report cards to WDFW and completion of record forms available upon request from the Washington Chapter of NWTf. These forms will also be used for submission of information to establish Washington State turkey records.
