

Westside Lakes - Special Rules

Unlisted Lakes, Ponds, and Reservoirs

There are over 7,500 lakes, reservoirs, and ponds (excluding beaver ponds), in Washington State waters unlisted within this pamphlet, that are open to fishing for Game Fish (except DOLLY VARDEN/BULL TROUT and GRASS CARP) **year-round**.

These year-round fishing opportunities are regulated under the Statewide Freshwater Rules as listed on pages 14-15 with the following **exceptions**:

- seasonal waters listed under Lake Special Rules pages 74-83, and 84-94
- waters within tribal reservation lands
- waters within national park boundaries (not national forests)
- within boundaries of federal military installations

Note About Lakes

If a lake is owned by a municipality such as a city or county, they have the authority to implement restrictions such as Electric Motors Only, No Motors Allowed, Night Closure, etc. For more information regarding any of these possible restrictions, you may want to contact the County's Department of Parks & Recreation or Sheriff's office before fishing.
